

ABOUT A CHAIR / AAC18

DESIGN BY HEE WELLING & HAY

Offering a slightly more formal flavour than the rest of the series, About A Chair AAC18 features slim, elegant legs and armrests that frame the seat shell. The chair's upright, slightly rounded seat offers excellent comfort, while the open front conveys a welcoming expression. Its refined silhouette makes it a perfect conference chair, but is also suitable for dining tables or home offices. The legs are available in chrome and powder coated finishes, while the shell comes in diverse color and upholstery options, allowing a multitude of design combinations that make this series so versatile.
