

# ABOUT A LOUNGE / AAL93

DESIGN BY HEE WELLING & HAY

With a molded plywood frame this version of About A Lounge Chair is offset by the minimalist wooden frame, creating a slightly more angular expression. It is available in a low-backed version with a more intimate expression or in a high-backed version with an open, spacious feel. The wide choice of cushions, legs and upholsteries mean you can configure unique combinations that fit a variety of public and private contexts.
