

ABOUT A STOOL / AAS38

DESIGN BY HEE WELLING & HAY

The bar stool About A Stool AAS38 has the same capacity for transformation as the other members in the series, ranging from a minimalistic plastic stool to a more full-bodied upholstered version (AAS39). The curved backrest is balanced on an elegant rounded frame in steel, showcasing a more industrial design with a strong visual presence. Suitable for using as a bar stool in bars and restaurants, as well as at home for informal meals. Available in two heights and in a range of steel finishes, colors and upholstery options.

PRODUCT DETAILS

- / Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- / Variability of shell colors and base finishes.
