

Brava

Side Chair

Side, Stacking & Folding

Brava Side Chair

The sophisticated Brava blends a pared-down design with an elegantly curved back and rear legs. Its armless design accommodates various statures while maintaining a minimal footprint within the space. Spring seat construction invites guests to wait in comfort, and a durable wood frame stands up to heavy use in healthcare environments.

Designed by Ken Reinhard

Details

Solid maple frame with mortise and tenon joinery provides long-lasting construction

Durable spring seat construction preserves comfort and shape over time
