Brava Sleep Settee

The Brava Sleep Settee welcomes friends and family into the patient's recovery process. By day, it provides a comfortable place for guests to sit, and by night, both sides extend out to create a flat sleep surface. Integrated storage compartments keep bedding conveniently stored within the arms and ready for the next guest.

Designed by Ken Reinhard

Details

Durable spring seat construction preserves comfort and shape over time

Optional wood arm caps (shown) or urethane arm caps for added comfort and performance

Dual extending sides minimize the footprint for efficiency and create a flat 78" x 25" sleep surface
