Domino Storage™

Designer

Isay Weinfeld for Geiger

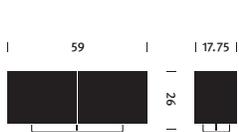

Original Production Date

2013

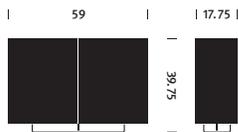

Warranty

12 years

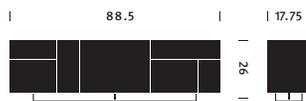

Isay Weinfeld's Domino Storage is comprised of an array of rectangular modules that are smartly edited to reflect the basic storage needs of today. Its spare, rectilinear form sets the stage for the exuberance of its quarter-turned wood fronts. Finished on all sides, the piece can serve anywhere in a room, and in settings formal or casual.
