Introduction

A Note on the Organization of This Book

There are a few signals that will help you understand the organization of this book. Once you know them, you should be able to find your way around easily.

Like a newspaper, this book is formatted with columns of text and illustrations that run vertically.

Information wraps from one column to the next and continues for as many pages as it needs to.

Black bars are clues.

A black bar at the top of a page signals the start of information about a product.

This information is divided into two sections, each signaled by a black bar. Product Information includes a description, additional notes, and dimensional drawings. Specification Information, which always begins at the top of a column, includes a series of steps. Each step represents a decision you need to make in order to complete your product number. Steps must be followed sequentially. The number of pages needed to complete information on a product varies; some will be complete in one page; others may fill three or four pages. Just continue going through the steps until you run into the next product, signaled by the black bar at the top of the page.

Black tabs running along the outside edge of the page help you locate what section you are in or what section you want to go to. You can thumb forwards or backwards to find a section; tabs and text appear on both sides of the page.

The additional pages in the back of the book include the appendices and indices. They are signaled by a long black bar running along the outside edge of the page.

The index is presented two ways.

The first index is in alphabetical order by product name. It can be helpful if you are new to the products and numbering scheme or if you are looking for a type of product, such as work chair or round table. The second index is by product number. It lists, in alphanumeric order, the base product number, typically a five-digit number.

General Information

This book is effective September 3, 2019, subject to change without notice. Products may be purchased from authorized Herman Miller dealers who will quote prices upon request. For more information about our products and services or to see a list of dealers, visit www.HermanMiller.com.

All prices are list prices. Additional services, such as planning services, design, storage, and installation, are not included and must be added to these prices when the additional services are requested.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice in prices, fabrics, finishes, materials, specifications, and models, and also to discontinue models and finishes.

Dimensions shown in the drawings are engineering drawing dimensions rounded up to the nearest $1/8$". Product is shipped set up or knocked down. Products that include "Shipped knocked down" in the description require some assembly. If this statement does not appear in the description, the product is shipped assembled.

Service problems are normally handled by a Herman Miller authorized dealer. Where this cannot be accomplished on a local level, service problems should be referred to the Customer Care Representative for your region, Herman Miller, Inc., Zeeland, Michigan 49464.

20-Day or Less/Assigned Lead-Time Shipments

All products and options in this price book not designated by an Assigned Program icon $\boxed{\text{A}}$ will ship in **20 business days or less** after being acknowledged by Herman Miller.

Products and options designated by an $\boxed{\text{A}}$ are on the assigned lead-time program and may ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

Tear Drop Table   EXTD.

Product Information

Description

The tear drop table shape enables clear visibility of content and participants, both local and remote. It is available in 4 sizes and 2 heights, 29″ and 39″, to support varied work activities. Tables 39″ high and 72″ wide and wider are available with or without a foot rest for better ergonomics while standing. Table is available with or without an electrical cutout. Electrical accessories ordered separately. Shipped knocked down.

Notes

Actual table dimensions:
Table—Dimensions
042—42″W × 44″D
072—71″W × 53^4/$_5$″D
096—94^4/$_5$″W × 55″D
114—114^4/$_5$″W × 81^1/$_2$″D

Available only with thin edge.

Foot rest finish is stainless.

Order the following products separately. Refer to Exclave® Planning Guide and Thrive® Portfolio price book for additional details:
• For 4′ table (042), order Logic mini electrical distributor (Y1414.)
• For 6′ table (072), 8′ table (096), and 9^1/$_2$′ table (114), order 6 wide G1000 grommet mounted electrical distributor (Y1425.D or Y1425.G)
• Logic HD cable manager (Y1424.)
• Umbilical riser (Y1430.); order riser height to match table height

Video conference friendly finishes are provided for guidance only. Customer lighting, color palette, video conferencing equipment, and other non-Exclave specified furnishings and tools may affect experience.

Product Information

Description

This set of top and bottom rails attaches to architectural walls to support Exclave® components. Rails attach directly to $^5/_8$" thick or thicker drywall using included wall anchors; wall stud attachment is not required. Rails come with inserts to finish the rail fronts and conceal mounting screws. Rails and inserts can be field cut to length.

Notes

Actual rail lengths are 49" (48) and 97" (96).

Order wall rail end caps (EXREC.) separately.

Anodized (AN) rails will come with folkstone grey (8Q) inserts.

White (91) rails will come with white (91) inserts.

Graphite (G1) rails will come with graphite (G1) inserts.

Small Boards - Eco Boards

EXSB.

Product Information

Description

These small Eco boards hang on Exclave® wall rails or Exclave small and large mobile carts. Boards can stack up to 4 deep on rails, and 3 boards can be transported on each side of the small or large cart, for a total of 6 boards. They have top clips for hanging and bottom bumpers. These boards are available with a dry-erase writeable or nonwriteable surface. Eco boards have a cardboard honeycomb core, and are a tackable, recyclable alternative to foam core. They come in packages of 4, and can be used with other Exclave elements.

Notes

Actual board dimensions are 31"W × 47"L × 1/2"D.

Bottom bumpers and clip attachment screws are folkstone grey (8Q).

Exclave® Boards

# Small Mobile Cart   EXSC.

Product Information

Description

This dual-sided cart has magnetic whiteboard surfaces on each side and can support 3 small Exclave® hanging boards on each side, for a total of 6 boards. The metal marker and eraser tray extends on both sides. The cart comes with 2 leather pull straps, 1 on each side, and has a metal bracket on each side that can support the cup-style holder from the Exclave marker and eraser kit, ordered separately. The cart has 4 casters, 2 locking and 2 nonlocking.

Notes

Cart side edge color is folkstone grey (8Q).

Order the following products separately:

• Exclave small board (EXSB.)

• Exclave marker & eraser kit (EXMK.)

20-Day or Less/Assigned Lead-Time
Order Information

20-Day or Less and Assigned Lead-Time Programs

20-day or less and assigned lead-time products are designed for established Herman Miller dealers with pre-approved credit.

Products are distributed from multiple manufacturing facilities across the United States. All products and options not designated by an Assigned Lead-Time icon A will ship in 20 business days or less after being acknowledged by Herman Miller. Products and options designated by an A are on the assigned lead-time program and will ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

Ordering Procedure

Please place orders through Order Manager. If this is not available to you, place orders through mail or fax. Verbal purchase orders will not be accepted.

Order Entry fax number for Passage®, 5000 Series, and Meridian® Filing and Storage: (616) 846 9236.

Order Entry fax number for all other products: (616) 654 3085.

For more information, contact your Customer Care representative at: (866) 854 3048 ext 3400.

Shipments and Delivery

Per Herman Miller Terms and Conditions.

Changes and Cancellation

Per Herman Miller Terms and Conditions.

Stain-to-Match Program

Stain-to-Match Program

Program Overview

The Stain-to-Match program gives you the option of using veneer finishes that are not listed in the standard offering. The program allows Herman Miller to match a customer's existing recut or natural veneer, or create a new finish that is unique to an installation.

Specific information on approval, ordering, pricing, and warranty for the Stain-to-Match program is listed below. Questions and requests for assistance may be directed to Herman Miller Options at:

(800) 654 3910

Stain-to-Match Process

1. Fill out the Options Stain-to-Match Request Form and send along with a color sample (2" x 3" minimum) to the Herman Miller Options Applications Team at the address provided on the form. The form can be found on Omni.
2. Within 7-10 working days, Herman Miller Options will send a sample of the color-matched stain on Herman Miller veneer to the requester for the customer's signed approval.
3. If the sample meets the customer's approval, sign the reverse side of the sample, scan and email the approval to:

options@hermanmiller.com.
4. After the stain has been approved, a formal quotation with special number and pricing can be provided, or the product can be specified through the Vary Easy program, if available. Work with the Options team on final product needs and how to specify.
5. A purchase order can then be placed.

Stain-to-Match Warranty

Herman Miller warrants its products to be free from defects in craftsmanship from the date of delivery for the applicable warranty period. Herman Miller is responsible for the physical properties of the veneers available through the Stain-to-Match program, which include:

STA: Stain-to-Match on Recut Ash
STB: Stain-to-Match on Beech
STC: Stain-to-Match on Cherry
STD: Stain-to-Match on Oak
STK: Stain-to-Match on Reltech Anigre (Geiger)
STM: Stain-to-Match on Recut Mahogany
STP: Stain-to-Match on Maple
STU: Stain-to-Match on Walnut (Geiger)

See your specification tool for product specific finish offering limitations.
