## Mattiazzi Primo Stool

### Designer

Konstantine Grcic for Mattiazzi

### Original Production Date

2018

### Warranty

2 years

Mattiazzi Primo Stools convey in strikingly simple gestures the essence of the archetypal wooden barstool. Their strictly upright stance, disturbed only by the seat and curved backrest, lends a strong architectural presence to hospitality spaces or any setting where these bar- or counter-height stools are used. The range of finishes complement those available for the Mattiazzi Primo Chair and Table. An optional leather seat is available on oak stools.
