Mattiazzi Leva Chair

Designer

Foster + Partners for Mattiazzi

Original Production Date

2019

Warranty

2 years

Crafted from a single piece of wood, the Leva Chair's steam-bent arms broaden into a supportive backrest—a gestural quality reminiscent of an oar's handle as it splays into a flat blade. Drawing on Mattiazzi's expertise in woodcraft, Foster + Partners gave Leva a gently curved seat for unexpected comfort and a quiet character.
