

Mora™ System

Caregiving today is as much about consulting as it is about examining and treating. We designed Mora, a versatile casework solution, to free caregivers to focus on clients. Functionally, Mora provides intuitive ways to organize technology and supplies so they are easy to find and access. It has clean lines and thoughtful features, and it can be custom fit to your space. All these things make Mora right for your needs.

Designer

Colin Nourie

Benefits

- Creates a crisp, cohesive and versatile appearance across an entire facility
- Provides intuitive and accessible ways to store supplies and digital tools, removing clutter
- Offers exceptional and durable fit from precision manufacturing and laser-edge banding

Warranty

12-year warranty
