

Palisade™

Flop® Sofa

Sleeper Seating

Nemschoff

Palisade

Flop Sofa

Palisade was designed to encourage family and friends to participate in the patient’s healing process, creating a dedicated and thoughtfully equipped setting where guests can feel welcome and connected to the patient. Designed for round-the-clock use, the Flop Sofa converts from a sitting area to a separate sleeping surface quickly and easily. Optional technology support and added surfaces respond to the needs of guests while maintaining an efficient footprint.

Designed by Jess Sorel

Standard arm

Utility arm

Utility arm with adjustable table

Details

Adjustable table with standard Durawrap or optional solid surface (shown) top provides a space-efficient work surface.

Back cushion easily transitions application from sitting to sleeping without a mechanism.

Optional 3" swivel casters featuring front-lock activation for easy positioning.

Integrated, easily adjustable table creates a space for guests to work, eat, and relax within an efficient footprint, while a utility arm provides a convenient place for personal items.

Floating seat provides continuous wipe-out space to aid in cleaning and infection prevention.
