W: 79

Elegantly angled back legs protect both the wall and the upholstery.

Details

Hand-tailored upholstery details deliver craftsmanship, increased durability, and outstanding value.

Optional wood arm cap on fully-upholstered arms adds style and durability, is easy to clean, and is replaceable.

Palisade

Lounge Seating

With a nod to the mid-century modern aesthetic, Palisade Lounge Seating is designed with contemporary features that welcome guests in public interiors. Thoughtful materials and the option of a fully-upholstered or open arm make the chair, settee, and sofa durable, easy to care for, and equipped with the signature comfort that is synonymous with Nemschoff's heritage.
