## Palisade Stool

A gently curved, open shape supports a range of natural postures for guests and healthcare staff that occur at the patient bedside. Large glides ease movement to a variety of locations throughout the patient room.

Designed by Jess Sorel

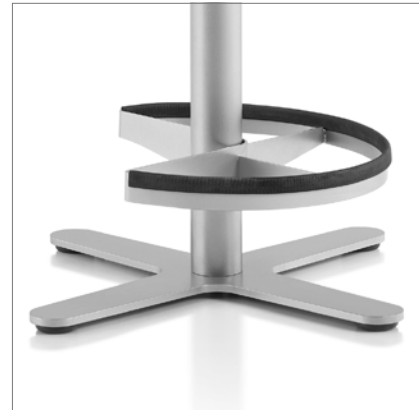

### Details

24" (61cm) seat height facilitates patient-to-guest connectivity at the bedside with eye level interaction.

Stool is designed to nest with the Daystand when not in use to promote overall space efficiency.

Footring enhances comfort, while anti-slip coating increases durability and safety.
