

Plex® Lounge Furniture

Plex Lounge Furniture is well suited for organizations that want to give people more options for working across the entire office landscape, while also keeping them comfortable and supported. Each element of this modular system can be used alone or combined to create settings where people can focus on individual work, brainstorm with a group, or socialize with colleagues.

Designers

Sam Hecht and Kim Colin

Benefits

- Provides individual comfort through sculpted back lumbar support and suspension seat technology
- Enables work in a lounge environment by easily integrating with surfaces and technology
- Delivers a flexible solution that can be used in multiple settings to simplify space planning

Warranty

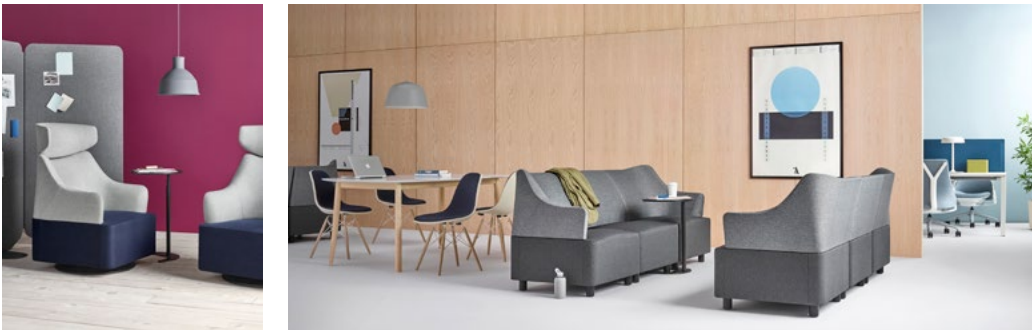

12-year, 3-shift

Key Features

- 1. Identical Bases**
Identical bases on all the pieces, along with the chair's compact footprint, simplify space planning and allow for greater density in a workplace.
- 2. Suspension Seat Technology**
A dynamic suspension material is integrated under the seat foam for improved comfort and fit.
- 3. Sculpted Back**
The sculpted back has lumbar support, which improves comfort and encourages active sitting by allowing you to vary your posture.
- 4. Power**
Power—standard outlets with the option to add USB—makes charging technology easy.
- 5. Height-Adjustable Headrest Option**
The Plex Club Chair with height-adjustable headrest enhances comfort and creates a visual boundary to help you focus on work.
- 6. Work Tables**
Work tables, available with fixed or adjustable height, nest with Plex seats and give people a place to work, either together or alone.
- 7. Club Chair Base Options**
The Plex Club Chair is available with feet, casters, or a swivel base.
