Sleepover Seating

Nemschoff

Revive

Guest Center

With its clean, contemporary aesthetic, Revive is designed to welcome patient's family members and guests and encourage their participation in the recovery process. With a comfortably padded seating surface, an easy-to-use sliding sleep deck, built-in personal storage, many options to customize and multiple sizes, Revive is poised to meet the broad range of needs associated with overnight guest visits.

Designed by George Simons Jr.

Details

User-friendly sliding sleep deck.

Removable upholstery on sleep deck and two easily-cleaned drawers simplify maintenance.

Options such as storage troughs, tablet arms, and light receptacles provide personal accommodation.

Revive X2

Revive X2 features a sliding sleep deck and fold-down back, accommodating two overnight guests
