## 24a. Special Attributes.

2018

Herman Miller receives the Corporation of the Year—Consumer Products award from the Michigan Minority Supplier Development Council.

Herman Miller achieves the Advanced Excellence in Supplier Diversity Award from the Great Lakes Women's Business Council for doing business with women-owned suppliers.

As one of the top-scoring companies in the industry for the fourteenth consecutive year, Herman Miller has qualified for inclusion in RobecoSAM's 2018 Sustainability Yearbook and received the Silver Class distinction for excellent sustainability performance—economic, environmental, and social.

Aeron receives Good Design Award from The Chicago Athenaeum Museum of Architecture and Design.

The Cosm Chair won the 2018 Best of NeoCon Gold Award in the Ergonomic Seating Category, the Interior Design HiP Award in the Ergonomic Seating Category, and a #MetropolisLikes Award. Cosm also won Mix Interiors "Product of the Year—Task" award.

For the 11th consecutive year, Herman Miller received a perfect score on the Corporate Equality Index and we were designated as Best Place to Work for LGBT equality. This report evaluates U.S. companies in terms of diversity, particularly their LGBT-related policies and practices.

2017

Herman Miller was named the 2017 "Corporation of the Year" in the consumer products sector by the Michigan Minority Supplier Development Council (MMSDC).

Herman Miller has received a 2017 SEAL (Sustainability, Environmental Achievement and Leadership) Business Sustainability Award.

Herman Miller has earned the 4 Star Diversity Visionary Award. This award celebrates the diversity, equality, and inclusion work of Herman Miller. The award is presented at the annual Diversity Equity Inclusion Summit, held by the Grand Rapids Area Chamber of Commerce.

Herman Miller named one of the Best and Brightest in Wellness for the fifth year in a row.

Working Mother magazine has recognized Herman Miller as one of the 2017 Working Mother 100 Best Companies.

Herman Miller earned our tenth consecutive perfect score in Human Rights Campaign (HRC) Foundation's 2017 Corporate Equality Index.

As one of the top-scoring companies in our industry for the thirteenth consecutive year, Herman Miller has qualified for inclusion in RobecoSAM's 2017 Sustainability Yearbook and received the Bronze Class distinction for our excellent economic, environmental, and social sustainability performance.

Herman Miller has once again earned the WorldatWork Seal of Distinction, a unique standard of excellence in work-life effectiveness that shows we provide a distinct, mutually beneficial workplace experience.

2016

Herman Miller was recognized as the Business of the Year at the Annual Meeting of the West Michigan Environmental Action Council (WMEAC). This award goes to the business with the greatest depth and breadth of support, unwavering dedication to environmental action in West Michigan, and a strong corporate commitment to environmental advocacy.

The 101 Best and Brightest Sustainable Companies once again (fifth consecutive year) recognized Herman Miller as an organization in Michigan (and for the first time, in the nation) that exhibits leadership and innovation in its approach to sustainability.

Herman Miller has been recognized by the Michigan Minority Supplier Development Council (MMSDC), as a "Corporation of the Year", and we also received a "2016 Excellence in Supplier Diversity Award" from the Great Lakes Women's Business Council. Additionally, we are the only West Michigan company this year to receive an "Ambassadors Championing Excellence" Award from the MMSDC.

Plex Lounge Furniture from Herman Miller receives #MetropolisLikes award at NeoCon 2016.

Plex Lounge Furniture from Herman Miller receives Interior Design HiP Award for Workplace Seating/Lounge at NeoCon 2016.

Spot Stools from Herman Miller Collection receive Interior Design HiP Award for Hospitality Seating at NeoCon 2016.

# Contract Information

*continued*

Herman Miller has been named a 2020 Women on Boards Winning Company. Companies selected for this recognition are considered champions of board diversity as 20 percent or more of their board seats are occupied by women.

Herman Miller selected for inclusion in the 2016 RobecoSAM Sustainability Yearbook for twelfth consecutive year.

Herman Miller again earns the WorldatWork Work-Life 2016 Seal of Distinction. This award identifies organizations that focus on programs that promote work-life balance and overall well-being.

2015

Herman Miller earns ninth consecutive perfect score in Human Rights Campaign (HRC) Foundation's 2016 Corporate Equality Index and we were designated as Best Place to Work for LGBT equality.

This is the fourth consecutive year that Herman Miller was named one of Michigan's Best and Brightest Sustainable Companies.

Herman Miller has received the Best and Brightest in Wellness Award for the third year in a row. This program is an innovative initiative that recognizes and celebrates quality and excellence in health awareness.

Herman Miller received the Forest Stewardship Council (FSC) Leadership Award for longstanding commitment to manufacturing with wood sourced from responsibly managed forests, which reduces environmental impacts by protecting against deforestation and forest degradation.

Herman Miller accepted its second Excellence in Reusable Packaging Award from the Reusable Packaging Association.

Herman Miller has once again been recognized for its commitment to best-in-class economic, environmental, and societal sustainability, earning a spot on the prestigious Dow Jones Sustainability Index (DJSI) for the twelfth consecutive year. We are the only contract furniture company recognized globally for its corporate sustainability leadership.

Herman Miller selected for inclusion in the 2015 RobecoSAM Sustainability Yearbook; awarded Bronze Class distinction for excellent sustainability performance for the second consecutive year.

Herman Miller received a Michigan Business Pollution Prevention (MBP3) Certificate – a recognition given by the Michigan Department of Environmental Quality (MDEQ) to organizations committed to environmental stewardship, conservation, and sustainable operations. This basic partnership with the MDEQ, which we've maintained since 1998, makes us eligible for our Clean Corporate Citizen (CCC) status that began in 2004 and our Environmental Leader status, which we received for the first time this past year.

MedAssets named Herman Miller Healthcare as Platinum Suppliers. MedAssets, a large group purchasing organization, helps providers enhance operational and financial performance so they can sustainably serve the needs of their community.

Herman Miller honored with five of 20 spots for the Michigan Environmental Leaders Award by the Michigan Department of Environmental Quality for our outstanding, voluntary environmental stewardship.

Renew Sit-to-Stand tables recognized on Record Products 2014 list by Architectural Record.

Herman Miller was again awarded a perfect score in the 2015 Corporate Equality Index. This is the eighth consecutive year we received a perfect score.

2014

Herman Miller has received the Best and Brightest in Wellness Award for the second year in a row. This program is an innovative initiative that recognizes and celebrates quality and excellence in health awareness.

Herman Miller's Locale wins International Design Excellence Awards (IDEA) Gold in the Office & Productivity category.

Herman Miller achieves eleventh consecutive listing on Dow Jones Sustainability World Index, an international stock portfolio that evaluates the annual performance of the world's largest 2500 companies using economic, environmental, and social criteria, known as the "triple bottom line" of sustainability.

2013

Herman Miller achieves tenth consecutive listing on Dow Jones Sustainability World Index.

Herman Miller has received the Best and Brightest in Wellness Award. This program is an innovative initiative that recognizes and celebrates quality and excellence in health awareness.

Herman Miller Earns Perfect Score on the Corporate Equality Index. We are one of only 303 major U.S. businesses to receive a perfect score in 2013, an achievement we have now obtained seven years in a row.

Herman Miller is listed in Forbes Magazine inaugural "Platinum List" of America's 400 best managed, large companies.

For the second consecutive year, Herman Miller is honored as one of West Michigan's "101 Best and Brightest Sustainable Companies".

2012

Herman Miller accepted its first Excellence in Reusable Packaging Award from the Reusable Packaging Association.

# Contract Information

*continued*

Herman Miller is named “Corporation of the Year” in the commercial products sector by the Michigan Minority Supplier Development Council.

In July 2012 Herman Miller was inducted into the Made in the USA Hall of Fame. Herman Miller is one of only 20 companies across the nation to receive this distinction.

Herman Miller achieves ninth consecutive listing on Dow Jones Sustainability World Index.

Herman Miller is honored as one of West Michigan’s 101 Best and Brightest Sustainable Companies.

The Sustainable Asset Management (SAM) group selected Herman Miller for inclusion in “The Sustainability Yearbook 2012” and has awarded Herman Miller both the “SAM Sector Leader” and “SAM Sector Mover” distinctions.

Herman Miller was named one of 16 Section Leaders on Climate Counts 2011-2012 Scorecard Report, making us the industry leader for Home and office Furnishings.

SGS International Certification Services, Inc., recognizes Herman Miller’s manufacturing sites, Midwest Distribution Center, and Design Yard for initial certification to the OHSAS 18001 standard as well as re-certification to ISO 14001.

2011

Trust Across America, a company dedicated to unraveling the complexities of trustworthy business behavior, listed Herman Miller as one of their “Top Ten Most Trustworthy Companies in America 2011.”

The U.S. Environmental Protection Agency (EPA) selected Herman Miller, as a WasteWise Gold Achievement—Climate Change winner.

Herman Miller achieves eighth consecutive listing on Dow Jones Sustainability World Index, an international stock portfolio that evaluates the annual performance of the world’s largest 2500 companies using economic, environmental, and social criteria, known as the “triple bottom line” of sustainability.

The Michigan Minority Supplier Development Council (MMSDC) named Herman Miller as its “Corporation of the Year” in the commercial products sector. This was the fifth time Herman Miller has received this award since 2005.

Herman Miller accepted its third Neighborhood Environmental Partners (NEP) award from the Michigan Department of Natural Resources and Environment.

Herman Miller receives the Reader’s Choice award from TreeHugger’s Best of Green: Design and Architecture category for the SAYL chair.

Herman Miller earns Citibank’s Global Environmental Vendor of the Year award.

The SAYL chair from Herman Miller was dubbed the “Product Design of the Year” from the 2010 International Design Awards (IDA) jury.

Herman Miller Healthcare’s Compass system was awarded a 2011 Medical Design Excellence Award (MDEA) for its research-based design and ability to be used in a variety of healing spaces, while simultaneously improving the overall delivery of healthcare.

The Sustainable Asset Management (SAM) Group selected Herman Miller for inclusion in the “Sustainability Yearbook 2011” and awarded us both the “SAM Sector Leader” and “SAM Sector Mover” distinctions.

Herman Miller has received the top rating for a fourth consecutive year in the Human Rights Campaign (HRC) Foundation’s eighth annual Corporate Equality Index. The “Best Places to Work for LGBT Equality” distinction is awarded to businesses that scored 100% on the HRC Foundation’s 2011 Corporate Equality Index.

Herman Miller again tops contract furniture industry in FORTUNE’s ‘Most Admired’ Companies survey. For the 23rd time in 25 years.

## 24b. Section 508 Compliance

# Introduction

## A Note on the Organization of This Book

There are a few signals that will help you understand the organization of this book. Once you know them, you should be able to find your way around easily.

### Like a newspaper, this book is formatted with columns of text and illustrations that run vertically.

Information wraps from one column to the next and continues for as many pages as it needs to.

### Black bars are clues.

A black bar at the top of a page signals the start of information about a product.

This information is divided into two sections, each signaled by a black bar. Product Information includes a description, additional notes, and dimensional drawings. Specification Information, which always begins at the top of a column, includes a series of steps. Each step represents a decision you need to make in order to complete your product number. Steps must be followed sequentially. The number of pages needed to complete information on a product varies; some will be complete in one page; others may fill three or four pages. Just continue going through the steps until you run into the next product, signaled by the black bar at the top of the page.

Black tabs running along the outside edge of the page help you locate what section you are in or what section you want to go to. You can thumb forwards or backwards to find a section; tabs and text appear on both sides of the page.

The additional pages in the back of the book include the appendices and indices. They are signaled by a long black bar running along the outside edge of the page.

### The index is presented two ways.

The first index is in alphabetical order by product name. It can be helpful if you are new to the products and numbering scheme or if you are looking for a type of product, such as work chair or round table.

The second index is by product number. It lists, in alphanumeric order, the base product number, typically a five-digit number.

## General Information

This book is effective April 1, 2019, subject to change without notice. Products may be purchased from authorized Herman Miller dealers who will quote prices upon request. For more information about our products and services or to see a list of dealers, visit [www.HermanMiller.com](http://www.HermanMiller.com).

All prices are list prices. Additional services, such as planning services, design, storage, and installation, are not included and must be added to these prices when the additional services are requested.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice in prices, fabrics, finishes, materials, specifications, and models, and also to discontinue models and finishes.

Dimensions shown in the drawings are engineering drawing dimensions rounded up to the nearest  $\frac{1}{8}$ ". Product is shipped set up or knocked down. Products that include "Shipped knocked down" in the description require some assembly. If this statement does not appear in the description, the product is shipped assembled.

Service problems are normally handled by a Herman Miller authorized dealer. Where this cannot be accomplished on a local level, service problems should be referred to the Customer Care Representative for your region, Herman Miller, Inc., Zeeland, Michigan 49464.

### 20-Day or Less/Assigned Lead-Time Shipments

All products and options in this price book not designated by an Assigned Program icon  will ship in **20 business days or less** after being acknowledged by Herman Miller.

Products and options designated by an  are on the assigned lead-time program and may ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

## Product Information

### Description

This fully-assembled chair has a frameless 3D Intelligent® Suspension back that allows freedom of movement, while providing targeted back support and moving heat away from the body. The suspension is supported by a Y-Tower® and anchored at the bottom by the ArcSpan®. The chair has an upholstered seat with foam padding and passive Posturefit® back support. The synchronous tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The chair has a 5-star base and 3 height-adjustment options.

Tilt options include a tilt limiter and tilt limiter with seat angle. The tilt limiter allows the user to set the tilt range to limit the amount of recline. The tilt limiter with seat angle allows the user to set the tilt range and select a 5° forward seat angle.

Seat options include a fixed 16" seat depth, or an adjustable seat depth that allows the user to adjust the depth from 16" to 18".

Back-support options include a standard option with no additional support, and an adjustable lumbar support option. The standard option has passive Posturefit back support molded directly into the strands of the suspension material, providing targeted support at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort. The adjustable lumbar support option adds a user-adjustable lumbar that adjusts 4" in height.

Arm choices include a no arm option; a fixed, non-adjustable option; a height adjustable option that allows the arms to move 4" vertically; and a fully adjustable option that allows the arms to move 4" vertically, 1 3/8" horizontally, 2" front-to-back, with armpads that pivot 11° inward and 11° outward.

This product meets TB 117-2013.

### Notes

Value package chair is upholstered with a Crossover textile in a black finish; all chair finishes are black (Y-Tower, armpads, arms, tilt cover and base).

Chair is tested and warranted for use by persons 350 pounds and under. To order chair ready-to-assemble, specify AS2VA. Pricing same as fully assembled.

Arms can be removed in the field with no tools required.

For information on casters and glides, see Casters and Glides in Appendices.

## Work Chair, Suspension Mid-Back AS2VB with Stretch Knit Back Cover, Value Package, RTA

### Product Information

#### Description

This ready-to-assemble chair has a frameless 3D Intelligent® Suspension back and a Stretch knit back cover that allow freedom of movement while providing targeted back support and moving heat away from the body. The suspension is supported by a Y-Tower®. The knit back cover provides a soft layer and has a knit-to-fit construction with elastomeric yarns that allows it to flex as the user moves. The synchronous tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The chair has a 5-star base and 3 height-adjustment options. Shipped knocked down and is ready to assemble with no tools required.

Tilt options include a tilt limiter and tilt limiter with seat angle. The tilt limiter allows the user to set the tilt range to limit the amount of recline. The tilt limiter with seat angle allows the user to set the tilt range and select a 5° forward seat angle.

The chair has an upholstered seat. Seat options include a fixed 16" seat depth, or an adjustable seat depth that allows the user to adjust the depth from 16" to 18".

Back-support options include a standard option with no additional support, and an adjustable lumbar support option. The standard option has passive PostureFit® back support molded directly into the strands of the suspension material, providing targeted support at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort. The adjustable lumbar support option adds a user-adjustable lumbar that adjusts 4" in height.

Arm choices include a no arm option; a fixed, non-adjustable option; a height adjustable option that allows the arms to move 4" vertically; and a fully adjustable option that allows the arms to move 4" vertically, 1 3/8" horizontally, 2" front-to-back, with arm pads that pivot 11° inward and 11° outward.

#### Notes

Value package chair is upholstered with a Crossover textile in a black finish; all chair finishes are black (suspension back, stretch knit back cover, Y-Tower, arm pads, arms, tilt cover and base).

Chair is tested and warranted for use by persons 350 pounds and under. Arms and Stretch knit back cover can be removed in the field with no tools required.

## Work Chair, Suspension Mid-Back AS2SB with Stretch Knit Back Cover, Ready to Assemble

### Product Information

#### Description

This ready-to-assemble chair has a frameless 3D Intelligent® Suspension back and a Stretch knit back cover that allow freedom of movement while providing targeted back support and moving heat away from the body. The suspension is supported by a Y-Tower®. The knit back cover provides a soft layer and has a knit-to-fit construction with elastomeric yarns that allows it to flex as the user moves. The synchronous tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The chair has a 5-star base and 3 height-adjustment options. Shipped knocked down and is ready to assemble with no tools required.

Tilt options include a tilt limiter and tilt limiter with seat angle. The tilt limiter allows the user to set the tilt range to limit the amount of recline. The tilt limiter with seat angle allows the user to set the tilt range and select a 5° forward seat angle.

The chair has an upholstered seat. Seat options include a fixed 16" seat depth, or an adjustable seat depth that allows the user to adjust the depth from 16" to 18".

Back-support options include a standard option with no additional support, and an adjustable lumbar support option. The standard option has passive PostureFit® back support molded directly into the strands of the suspension material, providing targeted support at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort. The adjustable lumbar support option adds a user-adjustable lumbar that adjusts 4" in height.

Arm choices include a no arm option; a fixed, non-adjustable option; a height adjustable option that allows the arms to move 4" vertically; and a fully adjustable option that allows the arms to move 4" vertically, 1<sup>3</sup>/<sub>8</sub>" horizontally, 2" front-to-back, with armpads that pivot 11° inward and 11° outward.

#### Notes

Chair is tested and warranted for use by persons 350 pounds and under.  
Arm and tilt cover finish matches specified Y-Tower finish.

Arms and Stretch knit back cover can be removed in the field with no tools required.

For information on casters and glides, see Casters and Glides in Appendices.

Customer's Own Material (COM) on the seat requires <sup>3</sup>/<sub>4</sub> yard.

Customer's Own Leather (COL) on the seat requires 8 square feet. See Order information in Appendices.

# Work Chair, Upholstered Mid-Back, Value Package, Assembled

AS1VC

## Product Information

### Description

This fully-assembled chair has a flexible narrow-top back supported by a Y-Tower® that allows freedom of movement, an upholstered seat and back with foam padding, and passive Posturefit® back support. The synchronous tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The chair has a 5-star base and 3 height-adjustment options.

Tilt options include a tilt limiter and tilt limiter with seat angle. The tilt limiter allows the user to set the tilt range to limit the amount of recline. The tilt limiter with seat angle allows the user to set the tilt range and select a 5° forward seat angle.

Seat options include a fixed 16" seat depth, or an adjustable seat depth that allows the user to adjust the depth from 16" to 18".

Back-support options include a standard option with no additional support, and an adjustable lumbar support option. The standard option has passive Posturefit back support, providing targeted support at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort. The adjustable lumbar support option adds a user-adjustable lumbar that adjusts 4" in height. Arm choices include a no arm option; a fixed, non-adjustable option; a height adjustable option that allows the arms to move 4" vertically; and a fully adjustable option that allows the arms to move 4" vertically, 1 3/8" horizontally, 2" front-to-back, with armpads that pivot 11° inward and 11° outward.

This product meets TB 117-2013.

### Notes

Value package chair is upholstered with a Crossover textile in a black finish; all chair finishes are black (Y-Tower, armpads, arms, tilt cover and base).

Chair is tested and warranted for use by persons 350 pounds and under. To order chair ready-to-assemble, specify AS2VC. Pricing same as fully assembled.

Arms can be removed in the field with no tools required.

For information on casters and glides, see Casters and Glides in Appendices.

# Work Stool, Suspension Mid-Back, Value Package, Assembled

AS7VA

## Product Information

### Description

This fully-assembled stool has a frameless 3D Intelligent® Suspension back that allows freedom of movement, while providing targeted back support and moving heat away from the body. The suspension is supported by a Y-Tower®. The chair has an upholstered seat with foam padding and passive Posturefit® back support. The synchronous tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The stool has a 5-star base.

Tilt options include a tilt limiter and tilt limiter with seat angle. The tilt limiter allows the user to limit the amount of recline and set the back into an upright position. The tilt limiter with seat angle allows the user to set the tilt range and select a 5° forward seat angle.

Seat options include a fixed 16" seat depth, or an adjustable seat depth that allows the user to adjust the depth from 16" to 18".

Back-support options include a standard option with no additional support, and an adjustable lumbar support option. The standard option has passive Posturefit back support molded directly into the strands of the suspension material, providing targeted support at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort. The adjustable lumbar support option adds a user-adjustable lumbar that adjusts 4" in height.

Arm choices include a no arm option; a fixed, non-adjustable option; a height adjustable option that allows the arms to move 4" vertically; and a fully adjustable option that allows the arms to move 4" vertically, 1 3/8" horizontally, 2" front-to-back, with armpads that pivot 11° inward and 11° outward.

This product meets TB 117-2013.

### Notes

Value package stool is upholstered with a Crossover textile in a black finish; all stool finishes are black (Y-Tower, armpads, arms, tilt cover and base).

Footrest available in trivalent chrome; column and ring support are black. Footrest diameter is 20".

Stool is tested and warranted for use by persons 350 pounds and under.

Arms can be removed in the field with no tools required.

For information on casters and glides, see Casters and Glides in Appendices.

## Work Stool, Suspension Mid-Back AS7VB with Stretch Knit Back Cover, Value Package, Assembled

### Product Information

#### Description

This fully-assembled stool has a frameless 3D Intelligent® Suspension back and a Stretch knit back cover that allow freedom of movement while providing targeted back support and moving heat away from the body. The suspension is supported by a Y-Tower®. The knit back cover provides a soft layer and has a knit-to-fit construction with elastomeric yarns that allows it to flex as the user moves. The synchronous tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The stool has a 5-star base.

Tilt options include a tilt limiter and tilt limiter with seat angle. The tilt limiter allows the user to limit the amount of recline and set the back into an upright position. The tilt limiter with seat angle allows the user to set the tilt range and select a 5° forward seat angle.

The stool has an upholstered seat. Seat options include a fixed 16" seat depth, or an adjustable seat depth that allows the user to adjust the depth from 16" to 18".

Back-support options include a standard option with no additional support, and an adjustable lumbar support option. The standard option has passive PostureFit® back support molded directly into the strands of the suspension material, providing targeted support at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort. The adjustable lumbar support option adds a user-adjustable lumbar that adjusts 4" in height.

Arm choices include a no arm option; a fixed, non-adjustable option; a height adjustable option that allows the arms to move 4" vertically; and a fully adjustable option that allows the arms to move 4" vertically, 1<sup>3</sup>/<sub>8</sub>" horizontally, 2" front-to-back, with armpads that pivot 11° inward and 11° outward.

#### Notes

Value package stool is upholstered with a Crossover textile in a black finish; all stool finishes are black (suspension back, stretch knit back cover, Y-Tower, armpads, arms, tilt cover and base).

Footrest available in trivalent chrome; column and ring support are black. Footrest diameter is 20".

Stool is tested and warranted for use by persons 350 pounds and under. Arms and Stretch knit back cover can be removed in the field with no tools required.

For information on casters and glides, see Casters and Glides in Appendices.

### Product Information

#### Description

This fully-assembled work stool has a frameless 3D Intelligent® Suspension back that allows freedom of movement, while providing targeted back support and moving heat away from the body. The suspension is supported by a Y-Tower®. The chair has an upholstered seat with foam padding and passive Posturefit® back support. The synchronous tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The chair has a 5-star base and 3 height-adjustment options.

Tilt options include a tilt limiter and tilt limiter with seat angle. The tilt limiter allows the user to limit the amount of recline and set the back into an upright position. The tilt limiter with seat angle allows the user to set the tilt range and select a 5° forward seat angle.

Seat options include a fixed 16" seat depth, or a height-adjustable seat depth that allows the user to adjust the depth from 16" to 18".

Back-support options include a standard option with no additional support, and an adjustable lumbar support option. The standard option has passive Posturefit back support molded directly into the strands of the suspension material, providing targeted support at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort. The adjustable lumbar support option adds a user-adjustable lumbar that adjusts 4" in height.

Arm choices include a no arm option; a fixed, non-adjustable option, a height adjustable option that allows the arms to move 4" vertically; and a fully adjustable option that allows the arms to move 4" vertically, 1<sup>3</sup>/<sub>8</sub>" horizontally, 2" front-to-back, with armpads that pivot 11° inward and 11° outward.

This product meets TB 117-2013.

#### Notes

Work stool is tested and warranted for use by persons 350 pounds and under.

Footrest available in trivalent chrome; column and ring support are black. Footrest diameter is 20".

Arm and tilt cover finish matches specified Y-Tower finish.

Arms can be removed in the field with no tools required.

For information on casters and glides, see Casters and Glides in Appendices.

### Product Information

#### Description

This fully-assembled work stool has a flexible narrow-top high back supported by a Y-Tower® that allows freedom of movement, an upholstered seat and back with foam padding, and passive Posturefit® back support. The synchronous tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The chair has a 5-star base.

Tilt options include a tilt limiter and tilt limiter with seat angle. The tilt limiter allows the user to limit the amount of recline and set the back into an upright position. The tilt limiter with seat angle allows the user to set the tilt range and select a 5° forward seat angle.

Seat options include a fixed 16" seat depth, or an adjustable seat depth that allows the user to adjust the depth from 16" to 18".

Back-support options include a standard option with no additional support, and an adjustable lumbar support option. The standard option has passive Posturefit back support, providing targeted support at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort. The adjustable lumbar support option adds a user-adjustable lumbar that adjusts 4" in height. Arm choices include a no arm option; a fixed, non-adjustable option; a height adjustable option that allows the arms to move 4" vertically; and a fully adjustable option that allows the arms to move 4" vertically, 1<sup>3</sup>/<sub>8</sub>" horizontally, 2" front-to-back, with armpads that pivot 11° inward and 11° outward.

This product meets TB 117-2013.

#### Notes

Stool is tested and warranted for use by persons 350 pounds and under. Footrest available in trivalent chrome; column and ring support are black. Footrest diameter is 20".

Arm and tilt cover finish matches specified Y-Tower finish.

Arms can be removed in the field with no tools required.

For information on casters and glides, see Casters and Glides in Appendices.

Customer's Own Material (COM) requires 2 yards. Customer's Own Leather (COL) requires 23<sup>3</sup>/<sub>8</sub> square feet. See Order information in Appendices.

Product Information
Description
This Stretch knit back cover kit retrofits onto the back of the Sayl® work chair or stool with a 3D Intelligent® suspension back. It provides a soft layer to the front of the Sayl suspension back while maintaining breathability and moving heat away from the body. The Stretch knit has an elastomeric construction that allows it to flex to sustain the freedom of movement and targeted back support provided by the 3D Intelligent suspension back.
Notes
This knit cannot be applied to the Sayl side chair.
Stretch knit back cover can be removed in the field with no tools required.
Do not apply to existing FR chair or stool models that require compliance with CAL 133.

## 20-Day or Less/Assigned Lead-Time Order Information

### 20-Day or Less and Assigned Lead-Time Programs

20-day or less and assigned lead-time products are designed for established Herman Miller dealers with pre-approved credit.

Products are distributed from multiple manufacturing facilities across the United States. All products and options not designated by an Assigned Lead-Time icon  will ship in 20 business days or less after being acknowledged by Herman Miller. Products and options designated by an  are on the assigned lead-time program and will ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

### Ordering Procedure

Please place orders through Order Manager. If this is not available to you, place orders through mail or fax. Verbal purchase orders will not be accepted.

Order Entry fax number for Passage®, 5000 Series, and Meridian® Filing and Storage: (616) 846 9236.

Order Entry fax number for all other products:  
(616) 654 3085.

For more information, contact your Customer Care representative at:  
(866) 854 3048 EXT 3400.

### Shipments and Delivery

Per Herman Miller Terms and Conditions.

### Changes and Cancellation

Per Herman Miller Terms and Conditions.

## Casters and Glides

### WARNING

Depending on the floor surface, chair may unexpectedly roll away from user when entering or exiting the chair, possibly leading to unexpected injury. Please refer to descriptions of floor types when selecting casters.

FR To meet California TB 133 code requirements, fabrics must be applied to approved chairs identified with FR product numbers.

# Customer's Own Material/Customer's Own Leather Order Information — Seating

**Packaging**  
Packaging varies according to individual product. A surcharge may be added for special packaging requests. Contact Customer Care for specific information.

**Customer's Own Material/Customer's Own Leather**

**Program Overview**  
The Customer's Own Material (COM) and Customer's Own Leather (COL) program gives you the option of using textiles other than those listed. Herman Miller will test textiles for application to Herman Miller products and will process orders for those with approved COM/COL textiles only. COM/COL are assigned lead-time textiles.

Omni lists an overview of fabrics and leathers that have been tested and indicates whether or not they were approved for application to Herman Miller products.

Specific information on the terms and conditions, testing, approval, and ordering process for COM/COL is listed below. Questions about the COM/COL program and requests for assistance may be directed to your COM representative at:  
(616) 654 3400  
(866) 854 3048 EXT 6543400

**Customer's Own Material/Customer's Own Leather Warranty**  
Herman Miller does not warrant COM/COL textiles. COM/COL textiles are tested for application only; they are not tested for performance. The Herman Miller warranty does apply to the underlying products.

Suppliers of COM/COL textiles are responsible for color consistency within commercial tolerances, UV stability, and resistance to soiling and perspiration.

**Customer's Own Material/Customer's Own Leather Pricing**  
COM is a Category 1 fabric. There are no application charges for COM fabrics. COL is a Category 7 textile; refer to prices on specific products to determine the application charge.

Ordering and payment for COM/COL textile yardage are the responsibility of the customer and the textile supplier.

If desired, Herman Miller will purchase COM textiles directly from True Textiles, C.F. Stinson, Luna Textiles, Maharam, and Momentum Textiles to simplify ordering and shipment. For this service, refer to the Supplier Connection program.

Customer's Own Material/Customer's Own  
Leather Order Information — Seating

continued

Textile Approval

- 1. Select a COM/COL textile and a Herman Miller product.
- 2. If your textile is not listed in Omni, obtain a test number from a COM representative at (616) 654 3400. You can also submit your request within Omni. Please have the following information ready before calling: textile name, number, pattern, roll width, and the product you will apply it to.

Additional yardage may be needed due to the unique characteristics of a textile. All package labels must include the words "COM test" or "COL test" and the assigned COM/COL test number.

- 3. Herman Miller will notify you of approval or disapproval within 4 days from receipt of the test yardage.

Ordering Products with COM/COL

- 1. Refer to the specific products to determine the yardage required for COM/COL textiles.
- 2. If your textile is not listed in Omni, call a COM representative at (616) 654 3400 or (866) 854 3048 EXT 6543400. The representative will assign an identification number for your textile (ID#) and will verify yardage requirements for your order. Additional yardage may be needed due to the unique characteristics of a textile.
- 3. Enter your order on Order Manager in Omni.
- 4. Upon receipt of your purchase order, Herman Miller will send you a PO acknowledgment.
- 5. Arrangements must be made for the textiles to be shipped from the supplier to Herman Miller for application to the seating products. Textiles must be tagged with the assigned identification number and the roll yardage quantity. See Omni for shipping procedures and current shipping addresses or contact a COM representative at (616) 654 3400 or (866) 854 3048 EXT 6543400.

Products will be scheduled for production when COM/COL textiles are received at Herman Miller. Standard lead times in effect at that time will apply.

*Note: If textiles are to be purchased directly by Herman Miller through the Supplier Connection program, Herman Miller will handle the ordering and shipping process and will schedule your order for production upon receipt of your purchase order (dependent on textile availability). Refer to the Supplier Connection program for more information.*

Supplier Connection

Program Overview

The Supplier Connection program is a service offered by Herman Miller to purchase approved COM textiles directly from True Textiles, C.F. Stinson, Luna Textiles, Maharam, and Momentum Textiles. When you select a textile through this program, Herman Miller will facilitate the ordering, scheduling, and shipment of the textile directly with the supplier.

Suppliers included in the Supplier Connection program keep an active inventory of textiles that are pre-approved for application to Herman Miller products. Pre-approval applies only to the suitability of a textile for manufacturing and application to a Herman Miller product. Omni provides an overview of fabrics that have been tested and indicates whether or not they were approved for application to Herman Miller products.

Specific information on the terms and conditions, testing, approval, and ordering process for the Supplier Connection program is listed below. Questions and requests for assistance may be directed to your COM representative at:

(616) 654 3400  
(866) 854 3048 EXT 6543400

Supplier Connection Warranty

Textiles purchased by Herman Miller through the Supplier Connection program are COM and are not warranted by Herman Miller. COM textiles are tested for application only; they are not tested for performance. The Herman Miller warranty does apply to the underlying products.

Suppliers of COM textiles are responsible for color consistency within commercial tolerances, UV stability, and resistance to soiling and perspiration.

# Customer's Own Material/Customer's Own Leather Order Information — Seating

*continued*

## Supplier Connection Pricing

Textiles purchased by Herman Miller through the Supplier Connection program are COM. COM is a Category 1 fabric. There are no application charges for COM fabrics.

Payment for textiles purchased by Herman Miller through the Supplier Connection program is the responsibility of the customer or dealer. Herman Miller will invoice the order at the supplier's prices published at the time of the order.

## Textile Approval

1. Refer to Omni to identify the approval status of the textile. If your textile is not listed, contact the COM Department to request testing for application to Herman Miller products.
2. Herman Miller will notify you of approval or disapproval in approximately 4 days from receipt of the test yardage. If the textile is approved, it will be assigned a COM identification number.

## Ordering Products with Supplier Connection COM

1. Identify and include the following information on your purchase order:
  - Product number and option
  - Herman Miller's COM identification number
2. Enter your order on Order Manager in Omni.
3. Upon receipt of the purchase order, Herman Miller will process your order and send you a PO acknowledgment. Herman Miller will determine the yardage required to produce your product and will order and schedule for delivery the required textile. Standard lead times in effect at the time the textile is allocated at the supplier will apply to products ordered through this program.

#### Distribution Rights

Working together since 1956, Herman Miller and Vitra are the authentic sources of designs by Charles and Ray Eames, Alexander Girard, and George Nelson. All the designs shown in this book are protected by law. Herman Miller has obtained all rights to make and sell these designs. Also, Herman Miller holds exclusive worldwide manufacturing and distribution rights for these products with the following exceptions:

Charles and Ray Eames, George Nelson, and Alexander Girard—Worldwide distribution rights for furniture in all areas except Europe and the Middle East. For those areas, please contact Vitra.

Isamu Noguchi—Worldwide distribution rights for the Noguchi Rudder Table. Distribution rights for the Noguchi Table in North America and Central America only. For all other areas, please contact Vitra.

Magis—Exclusive distribution rights in the US and Canada. For all other areas, please contact Magis.

Mattiazzi—Exclusive distribution rights in the US and Canada. For all other areas, please contact Mattiazzi.
