

SLIT TABLE

DESIGN BY HAY

HAY's Slit Table is a geometric steel side table inspired by paper origami techniques. The slim frame appears folded beneath the tabletop, creating a simple yet sculptural form that is reminiscent of traditional Japanese paper art. The Slit Table is available in a selection of different shapes and sizes, and is offered in a variety of contemporary colours and finishes. Compact and versatile, it can be used on its own or arranged in clusters in diverse private or public settings

PRODUCT DETAILS

- / Part of a family of tables featuring round, hexagon and oblong shapes in different powder coated colours, brass and polished stainless steel.
- / Suitable for a wide variety of private and public environments.

HAY

MATERIAL
