For more details about configuring and ordering this lounge system, visit our website nemschoff.com/products/steps-lounge-system choose Design Resources > Literature > Pricing. Furniture ships inside a protective bag to which a shipping label is affixed. Any site-specific installation instructions (location designation or place in specific configuration — with ganged or modular components) will be on the label. Do not remove the protective bag prior to product being staged in the indicated location on-site.

Seat style options:

Back height options:

Arm style options:

Two arms (straight configurations only)

Create a seating configuration plan. List unit model numbers from left to right.

Determine placement for tables or accessories. List seats, tables, accessory units and required ganging in the order they will appear. Ganging is determined when facing the unit. Designate either right-side facing (RSF) or left-side facing (LSF).
