Striad™ Lounge Chair and Ottoman

Designer

Markus Jehs + Jürgen Laub

Original Production Date

2016

Warranty

5 Years

With its distinct presence, sleek and contoured form, and premium comfort, the Striad Lounge Chair and Ottoman contemporize the concept of a lounge chair. Inspired by the construction of a ski boot, designers Markus Jehs and Jürgen Laub designed Striad in layers. The rigid outer shell provides stability and support while a softer inner shell offers flexion to welcome the body.
