

Criterion seating

Long-term comfort. Criterion® seating's soft curves and pleasing contours provide all-day comfort. The seven independent adjustments offer support through the full range of dynamic seating postures.

Six million people around the globe can't be wrong: this chair supports you unconditionally.

Fully adjustable arms offer exceptional fit, comfort and support.

Criterion®

Statement of Line

High-Back Work Chair
with arms and casters

Mid-Back Work Chair
with arms and casters

Criterion Plus Work Chair
with arms and casters

Mid-Back Stool
with arms and casters

Features:

Adjustability. Criterion seating's adjustable features include variable back stop, tilt tension, height-, width- and pivot-adjustable arms (fixed arms and height-only adjustable arms available); seat angle, seat height, back height and optional seat depth.

Durability. Criterion seating's solid construction provides support for the most demanding work environments. Molded and sewn vinyl upholstery is available, which means spills, marks and messes clean up easily. Criterion Plus chairs have a 20% larger seat and back, reinforced frame and other features to meet the needs of larger users, up to 500 pounds.

Environmentally responsible. Engineered for a long service life and 87% recyclable, depending upon options selected. Criterion is made from lower impact, low VOC manufacturing with 16% recycled content—6% from post-consumer content. These chairs have SCS Indoor Advantage certification for indoor air quality and may help contribute toward LEED certification.
