

LUXURY FLOORING

# NATURAL CREATIONS®

Mystix® | EarthCuts® | ArborArt®

# Design Without Limits

Natural Creations® Luxury Flooring with Diamond 10® Technology is available in three distinct collections – ArborArt®, EarthCuts®, and Mystix®. ArborArt features warm and inviting wood visuals, while EarthCuts captures the strength and character of concrete and stone. Mystix features overlays of textiles and textures – from muted neutrals to vivid hues – to enrich everyday experiences.

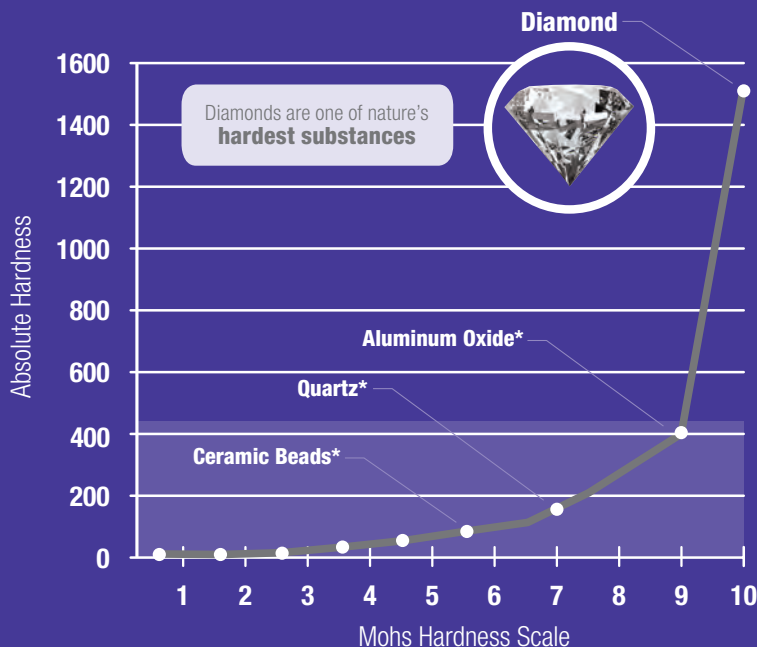

## Beautiful Floors Now and Later

Natural Creations® features patent-pending Diamond 10® Technology. Diamond 10 Technology is a revolutionary, innovation that uses cultured diamonds – with all the properties of real diamonds – to provide the ultimate in scratch, stain, and scuff resistance.

With Diamond 10 Technology, you'll never compromise the look you want for the durability you need. Made to stand up to the wear and tear of commercial settings, this low-maintenance solution keeps your floors looking newer, longer.

The Mohs scale of mineral hardness characterizes the scratch resistance of various minerals.

*\*The key ingredients in most competitive finishes*

# Proudly Made in the USA

Natural Creations® with Diamond 10® Technology is made in the USA with global and domestic content. It contains 28% pre-consumer recycled content and can be recycled through our On&On® Floor Recycling Program. This program provides an end-of-life alternative that helps to conserve and protect natural resources, reducing the environmental footprint of our products, and diverting tons of material from landfills each year.

**Diamond 10<sup>®</sup> Technology –  
Cultured Diamond Infused Coating**

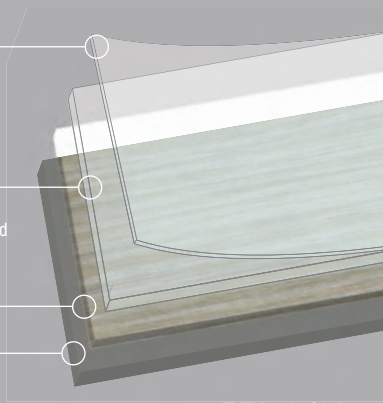

Patent-pending innovation that uses cultured diamonds to provide category-leading scratch, stain, and scuff resistance

**Rigid Wear Layer**

The combination of Diamond 10<sup>®</sup> Technology and the unique rigid wear layer results in enhanced durability and abrasion resistance

**Printed Visual**

**Foundation Layer**

## Continuum Solutions<sup>™</sup> for Design Flexibility

Continuum Solutions<sup>™</sup> coordinates color, texture, and pattern across the Armstrong Flooring product portfolio for cohesive, impactful design.

# Industry-Leading Protection, Backed by Science

Natural Creations® features Diamond 10® Technology, a revolutionary, patent-pending innovation that uses cultured diamonds to provide category-leading scratch, stain, and scuff resistance. It's a low maintenance solution designed to stand up to the wear and tear of commercial settings for floors that look newer, longer.

## SCRATCH RESISTANCE

Each product was scratched using an abrasive pad under a 12.5 lb. load for 20 passes.

Diamond 10®  
Technology

Aluminum  
Oxide

Ceramic  
Bead

Urethane

## STAIN RESISTANCE

After abrading the surface, red food coloring and dry erase marker was applied to each product and removed with a dry paper towel. Permanent marker was also applied and removed with an alcohol wipe.

Diamond 10®  
Technology

Aluminum  
Oxide

Ceramic
