ORGANIZATION & POWER

The Key to Future Growth

Extensions, a collection of ergonomic, lighting, organizational, and power accessories, is utilized across Allsteel products to improve overall worker health and comfort. An investment in Extensions is an investment in employees and future growth.

Monitor Arms

Pivot allows monitors to be placed at the proper position for improved ergonomics and well-being. Reduce desktop clutter and reclaim valuable workspace otherwise taken up with bulky technology. With its slim profile and lightweight design, Pivot is as beautiful as it is functional.

Post

Keyboard Support

Users can maintain healthy postures throughout the day by using adjustable keyboard supports to properly position shoulders, arms, and wrists.

- Lift-and-lock height adjustment
- Tilt adjustment with 360° rotation
- Can be used in sit-to-stand applications

CPU Hammock™

Utilize a fully adjustable CPU Hammock to store technology safely and securely beneath the worksurface.

- 360° swivel with an 11" rack
- Supports up to 75 pounds
- Handy adjustment tool is stored within the unit

Lighting

Extensions lighting solutions allow you to create custom workspace lighting to suit your visual and technology needs. High-power LEDs provide longer, brighter power.

Link™ LED Task Light

- 180° lamp head movement for natural, precise adjustability
- High-power LEDs deliver consistent, long-lasting, and uniform light
- Hi/low switch focuses the right amount of light
- Available in single- or dual-arm designs with multiple mounting options
- Color is silver

Wand™ LED Task Light

- Simple, clean, freestanding design
- Powerful 7.7-watt LED for efficiency and long life
- Hi/low switch allows you to customize the amount of light
- Color options include silver and white

Undercabinet Lights

- Undercabinet LED lights can be linked together and powered with a single switch
- Optional occupancy sensor automatically turns off the fixture after 30 minutes of no detection and back on as the user re-enters the detection range
- Recessed task lights with fluorescent bulbs and electronic ballast for longer bulb life are also available

Organization & Power

Organizational tools personalize your workstation. Manage your workflow and store your desk accessories within arm's reach. Power access allows you to easily charge laptops and phones.

Tool Tile and Rail

- Available in a variety of colors to complement the workstation
- Tool tile works with all Allsteel systems except Concensys® and Optimize™, which offer an integrated tool rail

Organizational Tools

- Mail Box
- Folder Holder
- Phone Caddy
- Binder Bin
- Tool Box Pencil and CD Holder
- Clip Caddy™
- Sidebar™ Personal Shelf
- Paper Wave™
- Gripper Clip
- Bookends
- Drawers

Power & Data

More technology demands increase the need for access to power. A power and data module provides power at the desktop with pop-up or surface-mounted options, allowing more efficient use of space while keeping surfaces free of cords with devices close at hand.
