parc vue™

Parc Vue is a fresh take on the classic Parisian bench. Curves sans curlicues and energy expressed in a few sure strokes make a beautiful design statement for our time.

The Landmark Collection of outdoor furniture was designed by a trio of celebrated designers and architects and inspired by familiar themes in historic design, architecture and nature. Designer John Rizzi took his inspiration from traditional cast iron furniture and asymmetric patterns in nature. The Parc Vue bench achieves a delicate balance between the strength and lively gesture of its frame and the perceived lightness and linear order of its slatted seat. It is a sculptural form that has what Rizzi calls "traditional roots and its own dynamic presence." In the companion curved and mesh-caged Parc Vue litter receptacle, the designer combines historic reference and contemporary manufacture in an elegant utilitarian object suited to a variety of settings in urban environments.

Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and its ability to elevate experience and help create a sense of place in public environments. Our high quality products and outstanding customer service have earned us a reputation as one of the world's premier designers and manufacturers of outdoor commercial furnishings.

Parc Vue™ Specifications

Benches

Horizontal strap seat style is standard for backed or backless benches. Bench is available in 72" length. End arms are available for backed bench and are welded to the end frame.

Support end frames are of 3/4" steel. Seating surface is made of horizontal steel straps (1-1/2" x 3/16"), which are welded to the end frames. Parc Vue bench may be specified freestanding with glides or surface mount with anchor tabs.

Litter Receptacles

Receptacles with liner have 30 gallon capacity; 40 gallon without liner. Cast iron base and wire mesh basket comes standard in all powdercoat colors. Top-opening or side-opening lid available in rotationally molded polyethylene, and attaches to basket with cable. Optional polyethylene urn-shaped liner and lid come in two standard colors (fog and black) to coordinate with wire mesh basket. Base has a center hole for optional surface mounting. Contact your Landscape Forms representative for details on clear plastic bag option.

Finishes

Metal is finished with Landscape Forms' proprietary Pangard II® polyester powercoat, a hard yet flexible finish that resists rusting, chipping, peering and fading. Call for standard color chart. A wide array of optional colors may be specified for an upcharge.

To Specify

Bench: Specify bench model, backless or backed. If backed, choose with or without end arms. Select free-standing or surface mount, and powdercoat color.

Litter: Select top or side-opening litter, and with or without liner. Specify top and liner color, select powdercoat color for metal basket and base.
