rosa™

Our purpose is to Enrich Outdoor Spaces

We believe in the power of design and its ability to influence and elevate the quality of public space. High quality products and outstanding customer experience makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

Rosa Specifications

Rosa planters may be specified freestanding or surface mount, with or without drain hole. View colors on our website or call for a color chart. Aggregate colors incur an upcharge. Custom aggregate colors not available. Orders of 50 or more may be specified in a custom solid color.

To Specify

Select Rosa planter, size dimensions, freestanding or surface mount, with or without drain hole and color. To specify a custom color, call Landscape Forms.

Plants and planters play a critical role in the success of outdoor spaces. That's why Landscape Forms offers Rosa. Made from light-weight polyethylene (LMPDE), Rosa planters are affordable, inexpensive to ship and easy to work with on site. Ideal for high traffic areas, they won't chip or crack, and they're resistant to UV rays, moisture, corrosive substances and extreme temperature changes.
