## ADD EXHIBIT™ AND EPICENTER® TO ANY STATION.

Storage components and worksurfaces can be attached to our Exhibit wall rail solution, maximizing wall surface functionality. Exhibit allows WaveWorks worksurfaces and storage to be positioned anywhere along the rail. Tackable and marker board inserts, along with the Exhibit rail, can be field scribed to create a custom fit without the additional expense of millwork.

Boost productivity by incorporating Epicenter to bring power and data within reach. Epicenter also provides a vertical surface that accepts organizational tools to keep workstations tidy and efficient. Create a thriving open plan atmosphere with the perfect balance of collaboration and comfort.
