## Tufold

Design: Scot Laughton

The unique use of aluminum in this product creates a table that has a light aesthetic. The design adds to the strength of the material. The table is suitable for high traffic public and corporate spaces. Tufold has been used extensively in staff lounges, reception areas, and in executive offices.

### Base and Tops:

Fabricated from sheet aluminum. Available in five polyurethane paint finishes: Tufold Citrus, Tufold Sand, Tufold Blue, Tufold Moss, Tufold Spice, and Tufold Clear.

Shown on front - Tufold Citrus coffee table, Tufold Spice side table.
