

Son of a Bench

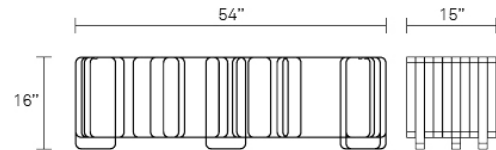

Is it a modern bench, a coffee table or a sculpture? Yes, it is. Interlocking loops of hot-rolled steel create an intriguing form of mass and negative space. A glossy black rubber-dipped skin positively drips with attitude.

BLACK

Materials

- Solid steel frame
- Rubber-dipped: Outdoor-friendly & mildew resistant
- Small drips or bubbles may appear in the surface. This unique effect is a normal by-product of the coating process. Each bench is one of a kind
- Ships fully assembled
