EFFERVESCENCE

INFINITE STYLE

The circle, a symbol of infinity, never fails to provide lasting style. Effervescence pattern is a random grouping of various-sized circles, in clean and bright glass and stone.

WARM AND COOL

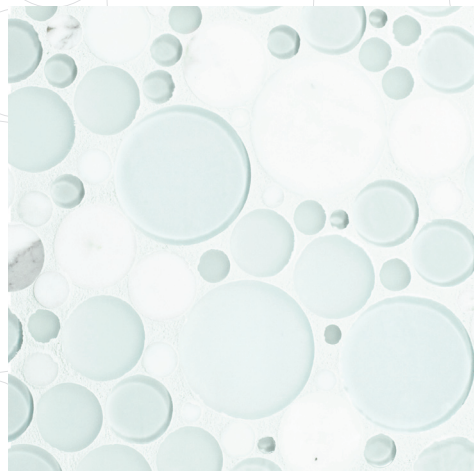

Neutrals in both warm and cool tones, Effervescence colorways calm your space. Pairing easily with whites and beiges, use Effervescence to activate a neutral interior.

TACTILE SPA

The character of natural-stone veining contrasted with the sleekness of smooth glass brings touchable texture to the home bath. Take home that tranquil spa-feel.
