HiQ™ Height-Adjustable Benching

SitOnIt • Seating®

Power. Posture. Privacy. Our new height-adjustable benching collection lets you provide all three and so much more. It's a total space solution with industry-leading innovation and best-in-class (no one does it better) design. Let's take a closer look...

Cable Management • Ease of Installation

Privacy Options • Spec Tools • Price-to-Value

Wire Management + Power

- Unique top-down access makes loading wires unbelievably simple
- Total capacity for cables outperforms any solution in its class
- You can install up to six outlets per user

Privacy Options

- Fabric and markerboard options are available up to 60" off the floor
- Well-built, reinforced screens don't wobble or sway like others
- Boundary screens provide extra privacy and complete the total look

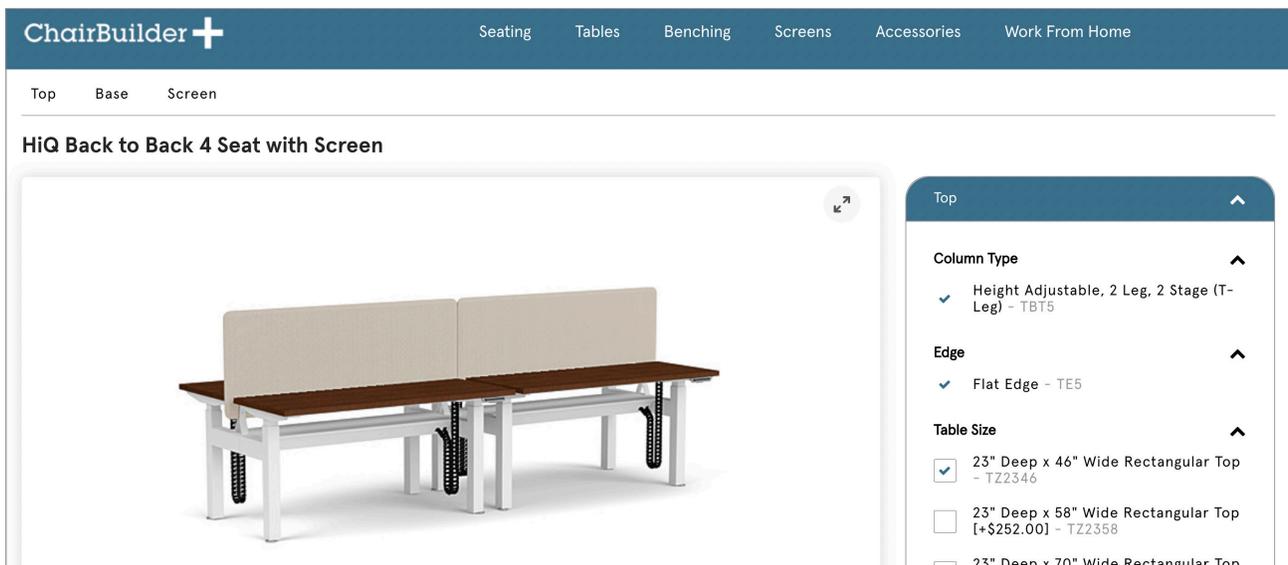

Easy Installation

- Up to 65% less time to complete compared to other solutions
- New Bingo shipping docs simplify receiving and staging
- Streamlined installations save more time and money

Design Resources

- Chairbuilder+ is our industry-best, easy-to-use online visualization tool
- The entire HiQ collection is also available in CET, 20/20, CAP
- Our expert Design Services Team is ready to elevate any project

Impactful Features

- Customize buildouts with multiple finish, laminate and fabric options
- Rigid and reliable tabletops provide extra stability and peace of mind
- Anti-collision technology ensures safe operation day in and out
- Adjustable glides compensate for uneven floors unlike anything else

Price-to-Value

- Priced up to 50% lower than the competition
- An expansive collection means bigger, better value

Workplace Wellness

- Active setups with flexible positions minimize fatigue and sedentary side effects
- Push-button height adjustability makes it easy to move at a moment's notice
- Standard controls include four programmable, user-customizable positions

Ready to Ship

- Orders for up to 24 benching seat positions ship within 2 weeks
- Top-rated Customer Experience Team can help with larger orders
