

lounge and
hospitality chairs

welcome them with class and refinement...

s u s p e n s i o n

The SUSPENSION series is a multi-purpose group of seating, coordinating tables and ottomans for waiting rooms, lounges and executive suites. The modules can be used alone or grouped in various arrangements. The famous ADI system ensures remarkable comfort, while the contemporary design will add to the sophistication of even the most studied environments.

stackable armchairs and tables...

s u s p e n s i o n q u a t t r o

You need a practical solution to space mobility? SUSPENSION QUATTRO is the answer. These lightweight, reception and lounge area armchairs are **stackable**, as are their matching tables. Plus, their sturdy metal construction, their comfortable suspension system and a choice of finishes for arms and steel frames make SUSPENSION QUATTRO a top quality, soft seating choice.

make a memorable first impression...

suspension lite

Waiting rooms, lounges where comfort and design are expected, building lobbies where the architecture and furnishings reflect the same quest for aesthetics, these are the spaces SUSPENSION LITE was designed for. The harmonious lines of its ribbon-like silhouette and its undeniable comfort make this series the ideal complement to a successful interior.
