

# Caper® Chairs

The Caper Chair, in all of its variations—multipurpose chairs and stools, chairs and stools that stack, as well as the Caper Stacking Chair with tablet arm—was designed to be comfortable, mobile seating that's also affordable. As stylish as they are versatile, Caper Chairs and stools are available in a palette of fresh, lively colors. Sophisticated neutrals complement, while vibrant primary colors bring energy. Designed to be moved, Caper is lightweight—the armless stacking chair weighs just 9.5 pounds—so it can go wherever you need casual, short-term seating.

**Designer**  
Jeff Weber

**Benefits**

- Uses standard materials in innovative ways to achieve a high level of comfort
- A full family of seating that's ideal for informal, flexible spaces where rearranging is encouraged

## Key Features

- 1. Nylon Seat and Back**  
Caper's glass-filled nylon seat and back are contoured for comfort, flexible for give, and colorful enough to brighten up any room.
- 2. FLEXNET™ (optional)**  
An optional FLEXNET seat uses advanced suspension materials to minimize pressure points, which keeps you comfortable longer.
- 3. Cut-Out Features**  
The chair's back features an intelligently designed cut-out hole for easy carry and transport.
- 4. Aeration Holes**  
Holes in the material allow moisture and heat to dissipate, so your body can breathe and sitting is a cool experience.
- 5. Tablet Arm (optional)**  
The Caper Stacking Chair with Tablet Arm features a generous work surface to accommodate today's technology, a fully encased pivot mechanism to eliminate pinch points, and a built-in dampener to prevent slamming when lowered.
