Tuxedo Component Lounge™ Club Chair

Designer

BassamFellows for Geiger

Original Production Date

2011

Warranty

12 years

BassamFellows' club chair is visually light and built for comfort. Supported on slim steel legs in six metal finishes, it is available in an array of quilted and non-quilted upholstery, with or without arms. Featuring a low, sleek profile and a deep seat, it coordinates well with other Tuxedo pieces due to the line's versatile, modular grid design.
