- Suitable for a wide variety of private and public environments
- Qualified for contract use

# CPH 90 DESK DESIGN BY RONAN & ERWAN BOUROULLEC

The CPH90 brings classic desk aesthetics into a modern context. The Bouroullec brothers' simple yet graceful asymmetrical legs coupled with the streamlined tabletop results in a functional, compact, and uncluttered design. It is available with tabletops and frames in a variety of wood types and materials, with the possibility to select matching or contrasting combinations. The Copenhagen Desk's versatile and elegant design makes it suited to a variety of corporate environments, as well ideal for working at home.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
