

Retrospect Sleep Sofa

7058-S75 Retrospect Sleep Sofa

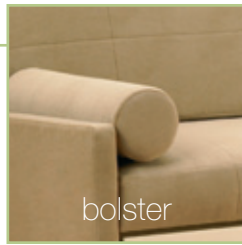

It's all about comfort and options with the *Retrospect Sleep Sofa*. *Retrospect's* storage and design solutions allow facilities and designers to customize product for their specific room needs. Patients can rest comfortably knowing their guests are accommodated with the most efficient and comfortable sitting and sleeping arrangements possible.

The *Retrospect Sleep Sofa* provides a comfortable, logical seating solution during visitation hours and a clean and restful sleep surface for overnight stays. *Retrospect's* myriad of options let you create the perfect solution for any facility.

pillows

Available bolster pillows and throw pillows increase comfort and style of the Retrospect Sofa.

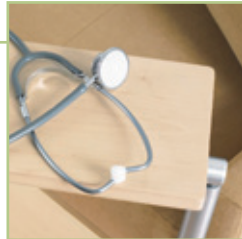

arms

Three different arm configurations allow the Retrospect to have a truly unique style. The standard armless sofa offers the addition of optional straight or flared arms.

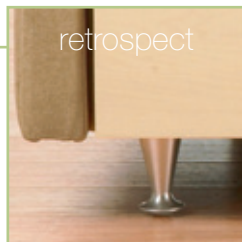

tablet arm

Retrospect's optional tablet arm serves as a daytime work station while doubling as a bed-side table for overnight guests.

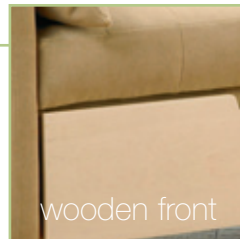

legs

The *Retrospect Series* signature leg design is offered standard on the sofa. Carolina's *Enclave Linx Series* leg design, a simple tapered wood leg and plinth base, are also available as options.

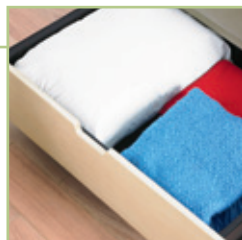

drawers

Retrospect's standard upholstered-front drawer panels can be upgraded to exposed wood-front drawers for a customized look or drawers can be left off all together for a more simple approach.

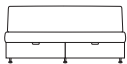

drawer liners

Drawer interiors feature a removable vinyl liner for ease of maintenance and cleaning.
