Installation Notes

Refer to installation instructions included with fixture before beginning installation.

If installing a rim-mount faucet, make sure there is no interference with drain overflow and circulating system before drilling any holes. Consult local and national codes for minimum air gap requirements if installing a spout on the faucet deck.

The apron must be installed before the finish floor and wall materials are installed.

NOTICE: The Overture bath is designed for bathing only. It is not designed to be used in a three wall alcove with an overhead shower.

Roughing-In Notes
