Installation Notes

Install this product according to the installation guide.

Select the type of fastener based on the wall material. A minimum of 50 lbs (22.68 kg) load bearing fastener is recommended.

A vessel style lavatory is the only style accepted for this vanity.

An electrical supply outlet is required for this installation.

To allow the drawers to fully extend, a minimum of 8-1/8" (20.6 cm) of clearance is required on each side of the vanity.
