

Convenient kitchen solutions for any lifestyle need.

Clairette™ Pull-Down Kitchen Faucets

Pull-down spray faucets by Kohler offer exceptional versatility and functionality in the kitchen. High-arch spouts provide added workspace and smoothly maneuvering swivel sprayheads increase efficiency and convenience for any food preparation or cleanup task. This brochure features the Clairette pull-down faucet with a 9½" spout reach and streamlined design that is well suited for contemporary environments.

Designed to Inspire.

Kohler Co. is renowned for its artistic craftsmanship and innovation, especially where design is concerned. Clairette™ pull-down kitchen faucets, with their minimal detailing, feature a high-arch spout that is elegantly designed to reach over the tallest pots, while the smoothly maneuvering swivel sprayhead easily pulls down into the basin to get up close when necessary. Clairette faucets also offer versatile installation options – complete with two escutcheon plates and all the parts necessary for either a single- or three-hole and left- or right-side handle installation.

A. Clairette is ergonomically designed with a high-arch spout and 9½" reach to manage various workstations within the kitchen.

The Measure of Performance.

Clairette™ pull-down spray kitchen faucets offer exceptional performance due to durable construction, artistic craftsmanship and rigorous industrial testing. With the touch of a button, the smoothly maneuvering swivel sprayhead – featuring an aerated stream or a powerful spray – pulls down into the basin. A MasterClean™ sprayface resists calcium buildup, and washerless ceramic valving ensures precise water control.

A. The extended reach of the sprayhead maximizes convenient functionality by allowing you to get up close when necessary.

B. Perform tasks easily with the smoothly maneuvering swivel sprayhead – ball joints make it easy to position the water.

C. The sprayhead is positioned directly above the sink and pulls down for a natural, ergonomic motion.

Finish with Confidence.

Clairette™ pull-down spray kitchen faucets are available in an extraordinary range of exclusive finishes that are both durable and beautiful. These include Vibrant® PVD color finishes and options for Polished or Brushed textures. Vibrant PVD finishes resist corrosion and tarnishing, and all KOHLER finishes exceed industry durability standards over two times. Clairette faucets also have a lifetime limited warranty for as long as the original consumer/purchaser owns his or her home. For complete warranty information, see your nearest KOHLER® dealer or call 1-800-4-KOHLER.

A. A distinctive color and texture selection offers virtually endless design possibilities for every home and every taste.

Polished Chrome (-CP)

Vibrant Brushed Bronze (-BV)
