Forté™

Effortless Installation and Versatile Design for the Bath.

The exceptional versatility of Forté allows customers to choose from traditional or sculpted faucet handles to complement baths with a classic or contemporary theme. A palette of KOHLER® Vibrant PVD finishes gives Forté an attractive look that resists tarnish, corrosion and scratches. Additionally, fewer boxed parts, flexible supplies and a top-mount design make for a quick, easy installation that requires just two tools and a few minutes.

Features and Benefits

- Traditional or sculpted handles complement any home décor
- Coordinating showerhead gives a unified look to the bath
- Top-mount design and flexible 22" supplies enable a fast "No Sweat" installation
- One-piece ceramic disc valve resists debris and is easy to maintain
- Offered in several popular finishes, including Vibrant® French Gold, for a customized look
- Vibrant Finish for Life resists scratches, corrosion and tarnish
- Lifetime Limited Warranty

K-10272-4-BN Forté widespread two-handle lavatory faucet with sculpted lever handles in Vibrant Brushed Nickel.

K-10270-4A-CP Forté centerset two-handle lavatory faucet with traditional lever handles in Polished Chrome.

K-10282-CP/K-7395-CP Forté single-function showerhead in Polished Chrome.

K-10415-BN Forté single-control kitchen sink faucet in Vibrant Brushed Nickel.

Forté™

Style, Function and Value for the Kitchen.

Forté kitchen faucets feature a refined design without sacrificing necessary durability or function. The faucet's simple curves accentuate any kitchen interior design, and the optimized spout reach and height provide added workspace for large containers. For long-lasting style, KOHLER® Vibrant PVD finishes withstand daily use by resisting tarnish, corrosion and scratches. Additionally, a quick, easy installation is ensured with the faucet's innovative flexible supplies.

Features and Benefits

- Cast brass construction ensures exceptional durability
- Single-control design promises an easy-to-operate kitchen faucet
- Flexible 22" supplies and mounting hardware enable a fast "No Sweat" installation
- Fluid, seamless design offers aesthetic beauty and is easy to clean
- One-piece ceramic valve resists debris and is easy to maintain
- Offered in several popular finishes, including Vibrant® French Gold, for a customized look
- Vibrant Finish for Life resists scratches, corrosion and tarnish
- Lifetime Limited Warranty
